Senior Class History

In the fall of 1947 fourteen students enrolled as Freshmen. At our first class meeting we had election of officers. Paul Moris was elected President; Gilbert Key, Vice-President; Marjorie Hermsen, Secretary; and Margaret O'Connor, Treasurer. Norma Govier represented our class on the Student Activity Fund Committee. Miss Humphrey was our class advisor. Joetta McCartney left our class because of difficulty in getting to school and Jackie Key because of a serious case of pink eye, which left twelve Freshmen.

In the school year of 1948 and 1949 there were eleven enrolled as Sophomores. Gilbert Key acted as President; Paul Moris, Vice-President; and Margaret O'Connor, Secretary and Treasurer. David Gratz left Patch Grove High to attend Prairie du Chien High School.

In our Junior year of 1949-1950, Darleen Pitzer joined our class which again made us eleven. At our election of officers Paul Moris was elected President; Gilbert Key, Vice-President; and Darleen Pitzer, Secretary and Treasurer. On April 14, 1950, we gave the annual Junior Prom. Our theme was "Star Dust" and Paul Moris and Margaret O'Connor reigned as king and queen.

The Seniors of 1950 and 1951 were again eleven. Darleen Pitzer left our class to become Mrs. Burdett Hale and Wilma Edge from Mt. Hope joined our class. Paul Moris was again elected President with Marjorie Hermsen acting as Vice-President, and Margaret O'Connor as Secretary and Treasurer. We are sponsoring the "Beaver" yearbook this year for Patch Grove High School. Norma Govier was elected Editor, Loren Feakes; Assistant Editor, Margaret O'Connor; Business Manager and Marjorie Hermsen; Class Editor. Paul Moris and Gilbert Key were elected Sports Editors. On September 29 we went to Dodgeville to have our Senior pictures taken. We received them just before Christmas.

On December 22, 1950, we held our annual "Holiday Dance". In the second week in January, Dick Ward left our class to join the United States Air Borne.

On May 24, 1951 our Graduation exercises will be held in the New Gym and so the end has come to our many happy years at Patch Grove High School.

Patch Grove New Gym

After many years of contemplation Patch Grove has finally realized its dream of having one of the most modern, largest, and best equipped gyms in southwest Wisconsin. As part of its general equipment, there is a kitchen which is being used for hot lunches and as a concession for ball games. The large stage is well adapted for theatrical and musical performances. The gym court provides an ideal basketball tournament, and playing court. Plans are being made to have the basketball tournaments here February 22nd and 24th of '51.
